

Flying Squirrel Bibliography for Children

Brought to you by FLYNSQRL™ Steve at:

HUMMINGBIRD SERVICES

Educational entertainment, naturally!

523 - 251 Queen Street South
Streetsville, Ontario L5M 1L7
Email: kidbib@hummingbirdservices.ca
Web: www.hummingbirdservices.ca

Please visit our educational resource site, FlyingSquirrels.com

And while you're at it, pay a visit to our new Web 2.0 site at flynsqrl.ca or flynsqrl.com

This bibliography was compiled, is kept updated, and provided freely as a public service by Hummingbird Services of Streetsville, Ontario, Canada. We encourage parents to read to their children, especially books about nature.

Of course, nothing beats taking your family for a walk, hike or snowshoe in the forest and along the trails...

Should you notice omissions and/or errors of great-enough concern, FLYNSQRL™ Steve would truly appreciate your observations and comments. Help us maintain this bibliography as an accurate, complete and current reference for all to share. Email kidbib@hummingbirdservices.ca. Thanks!

SCIENCE

Stone, Lynn M. 1993. **Flying Squirrels - Nighttime Animals** The Rourke Corporation, Inc., Vero Beach, Florida.

Watt, Melanie. 2006. **Scaredy Squirrel** Kids Can Press Toronto, Ontario, Canada.

Watt, Melanie. 2007. **Scaredy Squirrel Makes A Friend** Kids Can Press Toronto, Ontario, Canada.

Watt, Melanie. 2008. **Scaredy Squirrel At The Beach** Kids Can Press Toronto, Ontario, Canada.

Watt, Melanie. 2009. **Scaredy Squirrel At Night** Kids Can Press Toronto, Ontario, Canada.

Editor's Note – the somewhat popular “Scaredy Squirrel” series of books for kids aged 3 to 6 may be perceived as “fun reads”, however, the author of this series fails miserably on one huge point of fact - all flying squirrels are nocturnal. For reasons unknown, the author is either unaware of this or doesn't care about spreading blatant misinformation about the natural world to young children. “Scaredy Squirrel” is not nocturnal whatsoever. In fact, “Scaredy Squirrel” is afraid of the dark. Let's throw science out the door! For this reason alone, **WE RATE THE SCAREDY SQUIRREL SERIES AS NOT RECOMMENDED**. Why not rate the series as a “SILLY TreeTop Pick”? Truth be told, we feel the whole “Scaredy Squirrel” series is essentially a “Franklin The Turtle” redux. Been there, done that - and done a lot better too!

SCIENCE

Winkelman, Barbara Gaines (illus. Kristin Kest). 1998. **Flying Squirrel At Acorn Place** Smithsonian Institution.

Witschen, Kay (illus. Norma Luckemeyer). 2001. **Clinker Meets The Flying Squirrel** Dwitt Publishing, St. Cloud, Minnesota.
